Hi Elliot,

Thank you for the update. We'll be looking forward to the meeting with AstroTurf and the installation.

Best,

Chris

Chris: Sorry for the delay in responding. As previously discussed, the infill installation timeline is still tentatively scheduled for August 17 – August 22, 2016.

AstroTurf will follow-up a couple days in advance to schedule a meeting onsite with its crew to review process and answer any questions.

We will let you know as soon as we get additional details.

Regards,

Elliot Belilos

Hi Nancy,

Thanks again for arranging the call with AstroTurf last week. We were wondering if there has been any movement with respect to the field installation in DC. Just wanted to check and see if they have settled on a date range in mid-August yet.

Thanks,

Chris

Ksenija and Chris, Unfortunately, next week will not work for you to observe the installation in Ft. Meade. However, they have another one going in in mid-August in DC (which should be more convenient for all concerned). Pencil this in on your schedule and we will reconnect in early August.

Nancy

Nancy-

After discussing schedules and trying to coordinate a site visit with our team, it looks like next week will not work for everyone's schedules. We have another project with SCM

Kipp Field

1401 Brentwood Parkway NE

Washington DC

Tentative Infill Installation Date – August 12, 2016 – August 16, 2016

Let's connect around August 1, 2016 to verify project is still on schedule.

Any questions please let me know.

Thanks,

Mitchell Truban – CFB-S

Mitchell and Tim, thank you for the information about the installation next week in the Washington DC area. I will pass this information along to the staff at EPA who gave us the request. I suspect that they will be most interested in observing. Can you give me a better sense of the timing—what day, and time of day, do you think the installation will occur?

Nancy

Nancy –

Good morning, as a follow-up to your conversation with Heard we have the following project you can visit and observe the infill installation next week.

Meade Senior High School

1100 Clark Road

Fort Meade, MD 20755

AstroTurf 3D3 – 52oz/SY	98,507 SF
Ambient SBR Crumb Rubber -	~214,000lbs
20-40 Silica Sand -	~214,000lbs

I spoke with Tim Jordan this morning our Regional Manager and he will be in the area next week and can meet you onsite to help answer any questions.

Tim Jordan – (804) 928-7444

tjordan@astroturf.com

Any questions please do not hesitate to ask.

Thanks,

Mitchell Truban
